

Llanfihangel Rhydithon Community Council

Minutes of an Ordinary Meeting held on Thursday 21st September 2017

Present: Cllrs. D Lewis (Chairman), K Bufton, E Newman, R Stuart-Lyon, R Thomas, R Watkins, County Cllr. H Lewis

1 Apologies: Cllr. R Shelton

2 Declarations of Interest:

- None

3 Minutes of meeting held on 24th August 2017:

- The Minutes, which had been circulated to all councillors, were read, approved & signed by the Chairman.

4 Matters arising:

- No report has been received from County Cllr Fitzpatrick concerning the traffic problems in Dolau. There was further discussion regarding double white lines, speed measurement and flashing speed signs, but the inescapable fact is that, at present, the speed limit is 60mph.
- The Chairman reported that he has not received any communication from the Data Protection Department of Dyfed Powys Police Force, but will renew his efforts to obtain a reply to his request for a full record of all reported incidents on the A488 through Dolau.

5 Correspondence:

- A number of emails on a various subjects received from Powys CC and One Voice Wales since the last Community Council meeting have been forwarded to councillors. No comments regarding these were discussed.
- The clerk distributed Notice of Matters Arising Changes to a Local Development Plan 2011-2026 leaflets. There will be a public drop-in session at The Pavilion in Llandrindod Wells on Monday 25th September 2017 between 2pm - 7pm regarding the Matters Arising changes.

6 Finance:

- The clerk reported the following balances in the accounts held by the Community Council: Current a/c £2,258.17; Money Manager a/c £1,939.19; Relief in Need Charity a/c £108.13
- Precept: The third and final tranche of £1050 from Powys CC will be received at the end of December.

7 Reports from Representatives on the Governing Body of Dolau School and the Dolau Recreation Association

- Cllr Kath Bufton reported that the Dolau Primary School roll is 35 children - down because of a change of age for receiving children into Reception and the departure of a three-children family from the community. The school's achievement levels continue to rise and it is heading for the green quartile this year. The school is above the Welsh average for

standards in general. The up-to-date news is that Powys is recommending that the partnership with Llanellwedd School be formalised, which would ensure safety for the school from any threat of closure.

- Cllr David Lewis reported that he had not attended the most recent meeting of Dolau Recreation Association but he had received the Minutes of that meeting on his mobile phone. He gave a short resumé of those Minutes.

8 Planning Application P/2017/0950 Reserved matters: Erection of a single dwelling following P/2017/0266 in relation to access, appearance, landscaping, layout and scale

- Councillors considered the proposals were acceptable and gave support to the application.

9 Businesses in our Community:

- A list of eighteen businesses was compiled and the clerk was asked to find out such details as Contact Name, Telephone number(s) and Email address for each one before sending the information to Powys CC. *When completed, this full list will be appended to these Minutes.*

10 Any Other Business:

- C Cllr Lewis requested information regarding the desired positioning of roadside salt bins in Dolau.

R K J Trend
Clerk/RFO
